

Village Voice

October 2018

Reminders:

- * It would be a good idea to clean out your rain gutters and down spouts while the weather is good.
- * Each Board member has available for you: "Guest Parking passes. Please contact any Board member to request one if you have a need. Please see Section VI #12 which reads: "A Temporary Parking Pass must be obtained for any guest whose visit is expected to exceed a two-night stay. Please plan in advance and, prior to your guest's visit, obtain a timed and dated Temporary Parking Pass from the Association. This procedure will help to identify and accommodate these vehicles that are welcome and authorized to park overnight in our common parking areas."
- * The landscape maintenance company will be turning off and winterizing the community sprinkler system soon.
- * Outside yard and leaf clean up and pruning is happening. If you have a wood tulip displayed in your front flower beds, the landscape crew will not do any work in them, including Fall clean up. It will be the Owner's responsibility.
- * Need help finding "help" call M&M 801.566.1411
- * Communications with M&M regarding problems or requests need to be in writing or e-mail format so that there is a paper trail of communications.
- * Front vehicle gates can be scheduled to be left open for guests/parties or gatherings; times specific; please call M&M Management and make arrangements.

Please review the attached pdf file:

"Instructions for payment of your monthly Village HOA Assessment. "

This can be very helpful with questions you might have about the new payment procedures.
