Next Board Meeting
November at 6pm
Office of M&M Management
Homeowners are always welcome.

Beginning Saturday, November 1st our community gates will be closed 24/7.

You will need to have a gate remote and/or a personal key pad code. Your existing gate remote will work. If you do not have a personal keypad code to use, contact M&M at 801.566.1411 to get one & you can also get gate remotes from them. Personal key codes are tracked in the gate computer. Emergency vehicles have gate access and if there is a power outage; the gates “open” and remain open until power is restored. Questions can be directed to M&M Management. UPS, Federal Express and Post Office Delivery have their own codes to use for entry. Do not give out your personal code. Your phone can be dialed from the key box entry at the East Gate so that you can give access for entry. Practice and try it so that you know how it works.
